在线交易

1. 打开易优首页或点击头部【购买】，选择 USDT。

2. 在商家出价列表页面选择适合你的付款方式，建议微信、支付宝、银行转账，然后选择你中意的交易出价的商家。

3. 进入出价详情页，查看交易规则，确认交易请输入数量或总价点击下单。

The screenshot displays the 'Purchase Details' page. At the top, there are input fields for 'I want to buy' (0.00 USDT) and 'I will pay' (0.00 CNY). A red warning message says 'Input the quantity of USDT you want to buy. It is recommended to buy about 5 units, because buying will generate a transaction fee.' Below this is a large blue '立即购买' (Buy Now) button. The page is divided into two main sections: 'Transaction Details' and 'Merchant Information'. 'Transaction Details' includes 'Transaction Price' (¥8.5 / USDT, up 19%), 'Transaction Limit' (¥499 - ¥88888 CNY), 'User Limit' (Level ≥ EU-1, Verification ≥ EV-1), and 'Other Requirements' (Guarantee ≥ 0 USDT, Deal ≥ 0). 'Merchant Information' for '中本聪' (Zhong Bencong) shows a location of '贝宁' (Benin), user level 'EU-5', verification level 'EV-4', 1017 followers, 8427 cumulative transactions, 8425 positive feedbacks, 2 negative feedbacks, last login on 2024-07-10, and registration on 2022-08-27. A '收藏' (Favorite) button is in the top right corner.

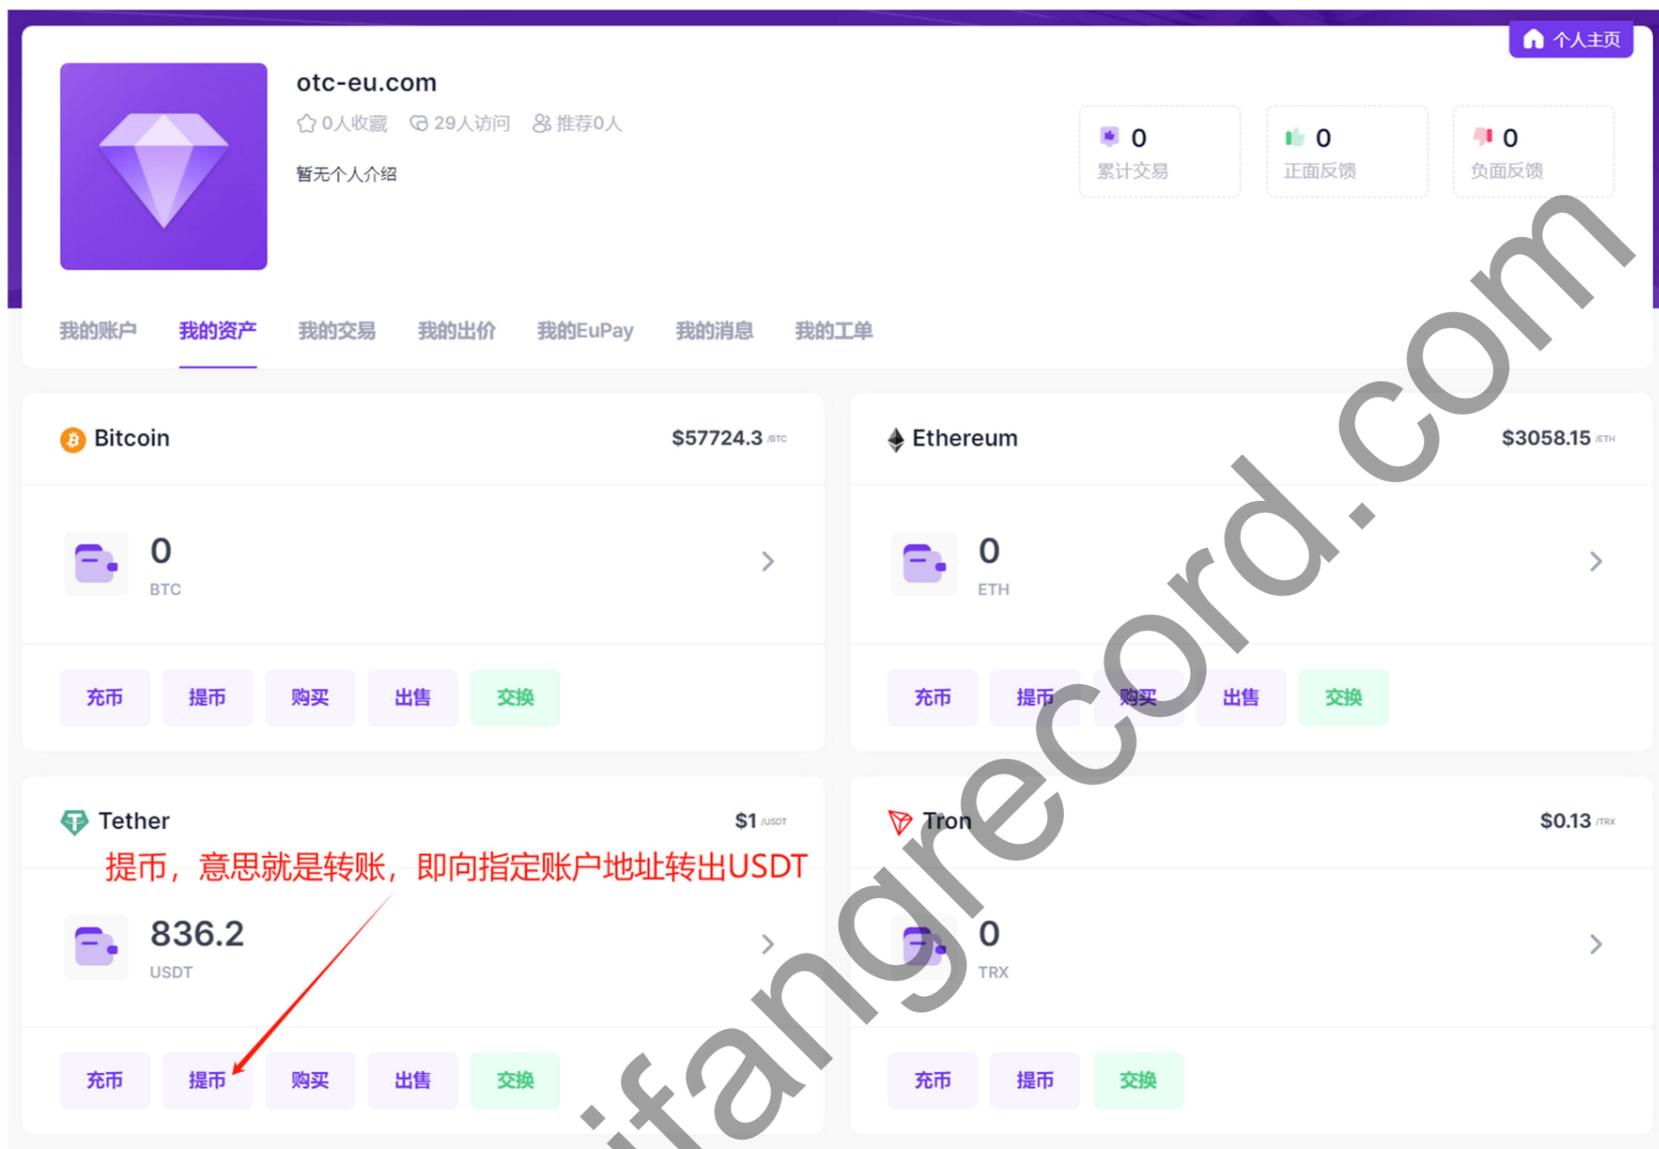

4. 下单成功进入交易对话页面，根据交易规则开始与商家交易，具体说明请查看 [易优 C2C 交易指南](#)。

The screenshot shows the 'Transaction Chat' interface. The title bar reads '向中本聪支付 850CNY 购买 100USDT'. On the left, the 'Transaction Information' panel shows the seller '中本聪' (Zhong Bencong) with a '等待支付' (Waiting for Payment) status. Transaction details include: '交易出价: 微信 支付宝 美团云闪付 (大额必过9.5) 骗子勿扰' (Transaction bid: WeChat, Alipay, Meituan Cloud Flash Pay (Large amount must pass 9.5) Scammers beware), '交易编号: 2024071011102557831', '交易币种: Tether', '交易价格: 8.5CNY / USDT', '交易数量: 100 USDT', '交易总额: 850 CNY', '创建时间: 2024-07-10 11:10:25', and '超时时间: 2024-07-10 12:10:25'. The main chat area contains a list of payment instructions: 1. WeChat payment: send your WeChat ID to me for payment. 2. Alipay payment: tell me your Alipay account number so I can add you. 3. After payment, you must delete the transaction screenshot and give it to me before releasing the coin! Do not release the coin if you delete the screenshot!!! A note says '半夜11点到早上8点不在线。其余都在线' (Offline from 11 PM to 8 AM. Online otherwise). A warning at the bottom says '代付出来的不放手 只能本人支付!!!' (Coins released by a proxy cannot be released, only the person themselves can pay!!!). At the bottom, there is a '还剩 59 分 53 秒' (59 min 53 sec remaining) timer, a '支付确认' (Confirm Payment) button, and a '发送' (Send) button.
